

## Wattstopper Astronomic Time Switch 24/7 800W, White, Box

Part No. RT-200-W

The RT-200 Astronomical time clock and timer switch automatically turns lighting or other loads on and off according to user programming. It replaces standard single-pole wall switches for energy savings and security.

### Features & Benefits

Turns lights on and off relative to dusk or dawn, or at selected times of day on selected days of the week

Shipped in default 2 hour countdown time, easily changed to other lengths or none.

Includes eight programmable control schedules

Bright OLED display for clear viewing from a wide angle

Ideal for any application where precise time-based control is desired

Ideal for meeting California Title 24 Residential Exterior Astronomical Time-Switch with max 6 hour countdown requirement

### Specifications

#### General Info

Product Line	Wattstopper	Color	White
UPC Number	754182918478	Country Of Origin	China
Features	Single Display, Timer	Switch Type	Push
Application Sector	Commercial	Warranty Type	5-Year

#### Dimensions

Product Width US	2.0 in	Product Weight US	0.35 lb
Product Volume US	27.84 cu in	Product Depth US	4.5 in
Product Height US	2.25 in		

#### Additional Information

---

RoHS Conformant	Yes	DesignLights Consortium Qualified System	Yes
